Entry to a United World College is competitive, based on academic ability, personal qualities and a commitment to international understanding and the ideals and practice of service to others.

Students are short-listed and selected on merit regardless of religious, social or ethnic background. Whilst the National Committee of Malaysia and the Colleges would wish to be in the position to offer all selected students full scholarships, due to financial constraints scholarships/places are awarded by a combination of means, merit, offers from the colleges and the resources of UWC charitable organisations. This means that education in a UWC may require parental contributions, which sometimes can be substantial. As such, offer of places to study in a UWC may be made under the following conditions:

1. Are you **only** interested in a **Full Scholarship** to a UWC? YES NO
 A Full Scholarship only covers tuition, accommodation and food costs. It excludes airfares, pocket money, Project Week, term holidays and other costs. If YES, do not tick boxes 2 and 3.
2. Would you be willing to accept a **Partial Scholarship** to a UWC? YES NO
 A Partial Scholarship usually covers up to 50% of tuition, accommodation and food costs. It excludes airfares, pocket money, Project Week, term holidays and other costs.
3. Would you be willing to accept a **Full Fee Paying** place in a UWC? YES NO
 No funding will be provided by the college. Student bears all costs.
